

# Let's Get GLAM!

Glam Jam is a great way for your dancer to get to know everyone, learn how to apply their stage makeup correctly, and get some tips and tricks along the way. One glam jam session is required each year for every dancer. Each year our makeup tips change and new students join our studio! We hold our Glam Jam twice a year to teach our students the correct way to apply their stage makeup. A list will be provided below with the correct makeup to bring!
